## Lonnie Miller – Shpshewana, IN

**LOT 1 Boone** 13 yr old Sorrel Belgian Cross Gelding with a flaxen mane and tail. Boone stands 16-1 hands tall and is well trained to ride and drive. Boone has spent the majority of his life on an Amish produce farm and has many hours under harness and has been exposed to pretty much everything. Boone swings under the shafts and stands to hitch without being tied and loves a quiet stroll or slow jog down the back roads. Boone is traffic safe never flinching when he meets big traffic on small back roads. We have recently started riding Boone under saddle and he is doing very well displaying the same easy going attitude as he does under harness. Boone stands to tack and mount whether it is using the mounting block or from the ground and waits for your cue to walk out. Boone has 3 easy to ride smooth gaits. Boone has a mind like your best employee always willing to learn and try new things and you rarely have to show him the same thing twice. On the trails he is solid crossing water, logs, and hills willingly and handles poor footing and slippery slopes without losing his head. Whether you are looking for a solid crossbred trail or pleasure horse or one that you can hook to the carriage for an afternoon ride we believe Boone will fit the bill for every level of horse lover. **LOT 534 Dynamite Red Olena** 8 yr old Registered Red Sorrel AQHA Gelding. Shorty is a beautiful gelding out of the great Heaven Sent Chic. Shorty stands 14 hands tall and is 100% clean and sound. Shorty has many hours of arena experience and always stays soft and responsive in his mouth. Shorty is really soft and responsive to leg pressure and also knows all the reining patterns. We've used Shorty to push cattle out of the brush, roped colts off of him and also sorted and pushed bulls on him. He will sure enough watch a cow. On the trails he stays quiet and smart and I've personally enjoyed Sunday afternoon rides bareback with just a halter. With all that he is humble enough to be a 5 yr old girls best friend galloping across the fields around the farm or just tromping thru the leaf piles with her in the fall. Shorty is very forgiving to rider mistakes without becoming grouchy and stays happy and willing. If you are 5 or 75 Shorty will quickly find his way into your heart. He would make a great Amateur level ranch riding horse and rides just as happy and smart in a simple snaffle bit as he does in a shank. Shorty is also broke to drive and is tickled to take you on a Sunday back road buggy ride. Shorty sells 100% clean and sound. FMI please contact Samuel 719-371-0571

**LOT 722 Buckshot** 8 year old Dun John Mule. Stands 14.2 HH, stout and so pretty for a mule. He has a deep stout body; his striking dun color with tiger stripes down his legs is eye-catching, and you will stand out everywhere you go. He will be the leader on the trails with confidence, or he will follow in the back of the group calmly and quietly. He is easy to catch in a pen and halter.

Buckshot has been ridden miles. He is comfortable and confident riding in rocky terrain, big water crossings, encounters with animals, big groups of trail riders. He will let you pick up his feet. He is easy to groom, saddle, and trailer. Buckshot has been ridden a couple times at night. This mule doesn't have any holes we know of other than sometimes his ears and I think that was a problem created with the previous owner. We have taken our time and worked on this issues. We have had him with a trainer for 6 weeks. He's going to do nothing but get better and better with age. He is a very easy keeper. He will pen with other horses and get along great. He is respectful around the barn and gets along well in the herd. He's the right size and color!
